

Interface

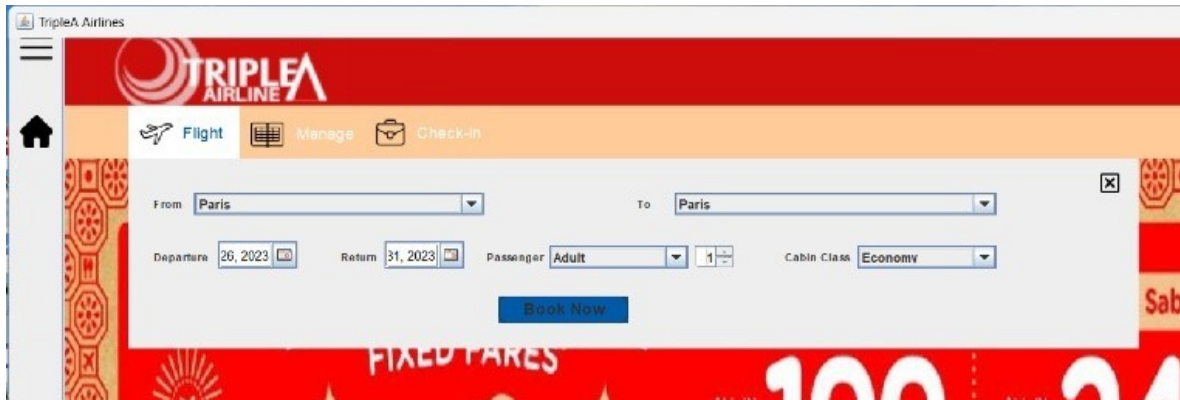

1. Home page

This is our homepage. Here are the main options that user can choose for our app:

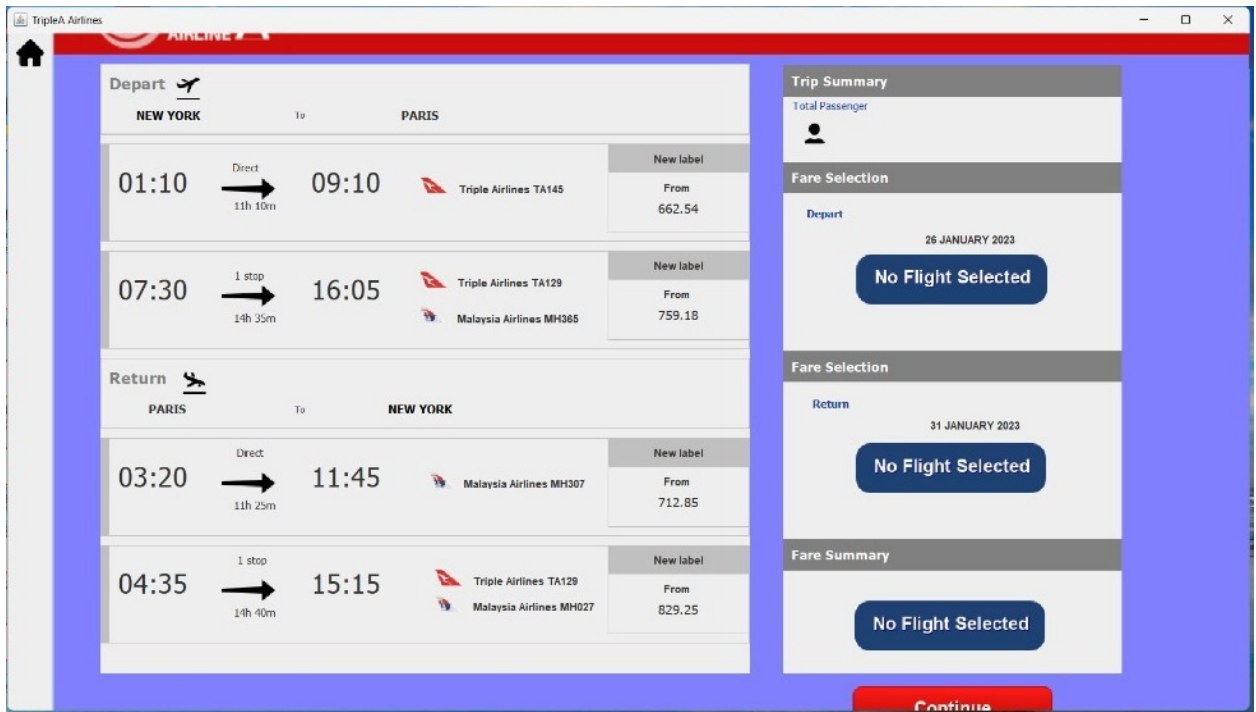

- The user can click “flight” button to book a flight
- The user can click “manage” button to view their booked ticket
- The user can click the “check-in” button to check in for their flight

2. Form

The screenshot shows the TripleA Airlines website's flight booking interface. At the top, there's a navigation bar with 'Flight', 'Manage', and 'Check-in' options. Below this, a search form is displayed with the following fields: 'From' (Paris), 'To' (Paris), 'Departure' (26, 2023), 'Return' (31, 2023), 'Passenger' (Adult), and 'Cabin Class' (Economy). A blue 'Book Now' button is positioned below the search fields. The background features a red and white patterned design with the text 'FIXED RATES' and '100%' visible.

If the user clicks the “flight” button, this will pop up. The user needs to choose from where they board and to where with their date. The user also needs to choose the passenger type whether they are adult or child, and the type of class. Next, click the blue “Book Now” button to proceed to select the available flight.

The screenshot displays the flight selection screen for TripleA Airlines. The interface is divided into two main sections: 'Depart' and 'Return'. The 'Depart' section shows flights from NEW YORK to PARIS, and the 'Return' section shows flights from PARIS to NEW YORK. Each section lists two flight options with their respective times, durations, and airlines. A 'Trip Summary' panel on the right provides a overview of the selected flights and fares.

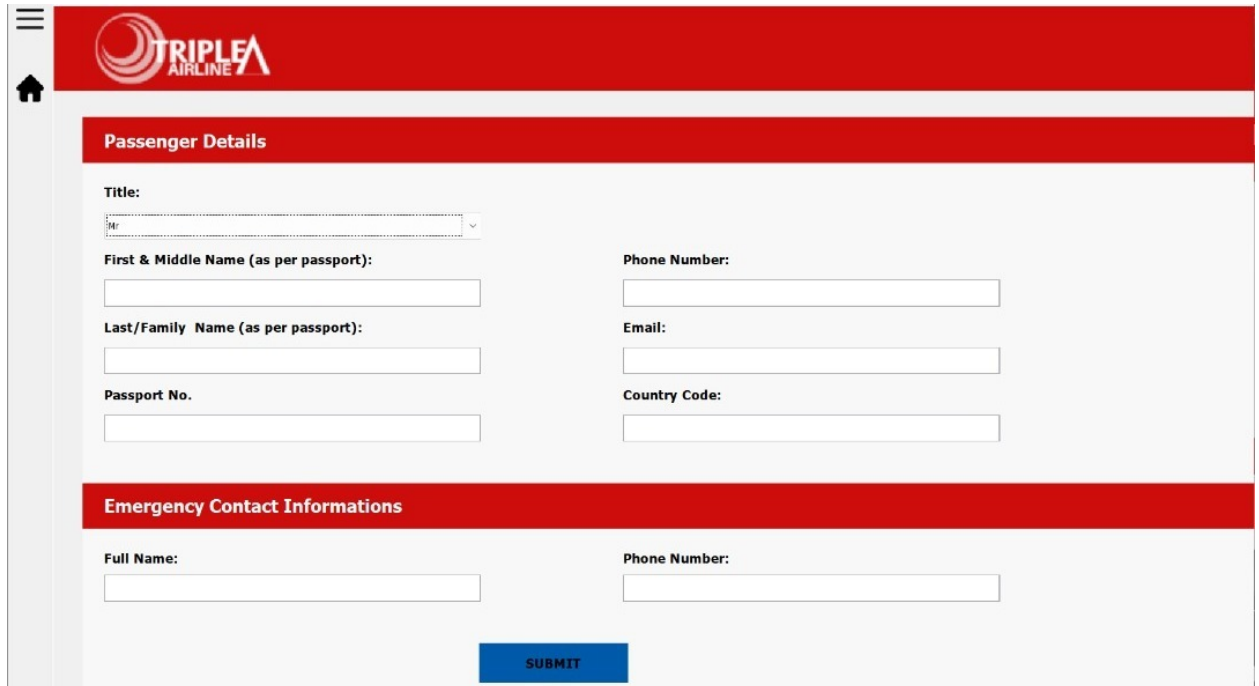

Direction	Flight	Time	Duration	Airline	Fare
Depart (NEW YORK to PARIS)	01:10	Direct	11h 10m	Triple Airlines TA145	From 662.54
	07:30	1 stop	14h 35m	Triple Airlines TA129 / Malaysia Airlines MH365	From 759.18
Return (PARIS to NEW YORK)	03:20	Direct	11h 25m	Malaysia Airlines MH307	From 712.85
	04:35	1 stop	14h 40m	Triple Airlines TA129 / Malaysia Airlines MH027	From 829.25

The 'Trip Summary' panel on the right shows the following details:

- Trip Summary:** Total Passenger (1)
- Fare Selection:** Depart (26 JANUARY 2023) - No Flight Selected; Return (31 JANUARY 2023) - No Flight Selected
- Fare Summary:** No Flight Selected

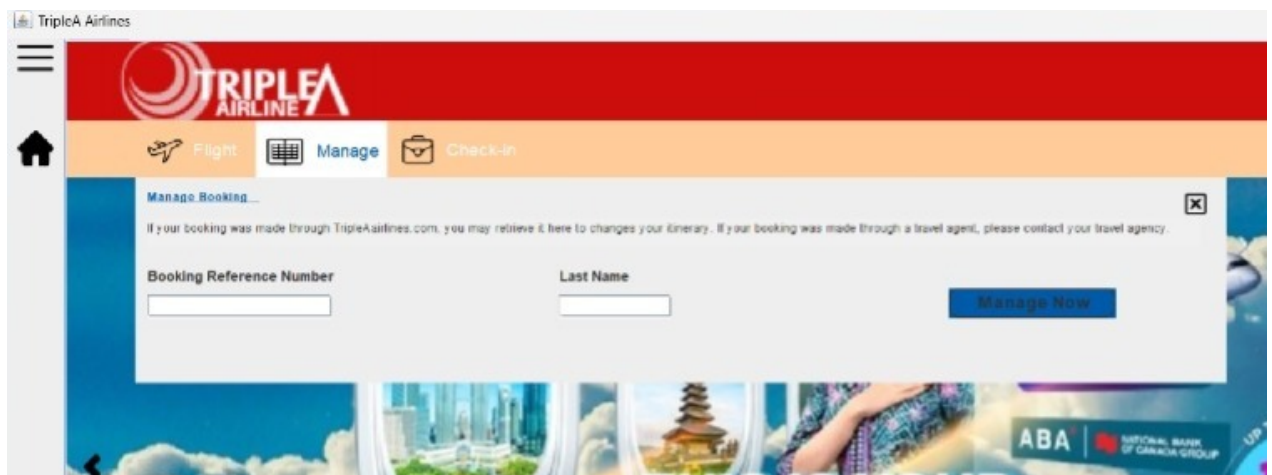

A red 'Continue' button is located at the bottom right of the screen.

The user needs to select the available flight for departure and return then click the red “continue” button to proceed once confirmed.

The screenshot shows the TripleA Airlines website interface. At the top is a red header with the TripleA logo. Below the header is a sidebar with a home icon and a menu icon. The main content area has a red section titled "Passenger Details" containing several input fields: Title (a dropdown menu with "Mr" selected), First & Middle Name (as per passport), Last/Family Name (as per passport), Passport No., Phone Number, Email, and Country Code. Below this is another red section titled "Emergency Contact Informations" with input fields for Full Name and Phone Number. A blue "SUBMIT" button is located at the bottom right of the form.

Then, the user needs to fill in the passenger details including the emergency contact details. Click the “submit” to proceed to the view booking summary.

The screenshot shows the TripleA Airlines website interface. At the top is a red header with the TripleA logo. Below the header is a navigation bar with icons for Flight, Manage, and Check-in. The main content area has a blue section titled "Manage Booking...". Below this is a text box with the following text: "If your booking was made through TripleAirlines.com, you may retrieve it here to changes your itinerary. If your booking was made through a travel agent, please contact your travel agency." Below the text box are two input fields: "Booking Reference Number" and "Last Name". A blue "Manage Now" button is located to the right of the input fields. At the bottom of the page, there is a banner with images of a city, a pagoda, and a person, and a logo for ABA (ABN AMRO BANK OF CANADA GROUP).

Back to the homepage, if the user clicks on the “manage” button, the user needs to input their booking reference number and the last name then click on the “Manage Now” to view the ticket back.

Same goes with the “Check-in” button, the user need to input their booking reference number and the last name then click on the blue “Check-in” button to checking in for their flight
